I write to inform you that the Government while according sanction to the draft bye-laws had omitted some of the provisions proposed ~~x~~ in the draft, and on such omission is draft byelaw No 23 wherein the construction of a grave with airtight compartment has been prescribed In bye-law No 11 as sanctioned by the Government, a reference is made to "air tight compartment - prescribed in byelaw No 10", but byelaw No 10 does not contain any description of "air tight compartment" The words and figure "prescribed in byelaw No 10" referred to in byelaw No 11 has therefore to be omitted and an amendment to the byelaws is necessary
